

Week 2 Report

CampusConnect Project Report

Name: Ravi Ranjan Bhardwaj

Project: CampusConnect – Event Management Web Application

Technologies Used: HTML, CSS, JavaScript, Local Storage, Git & GitHub

Work Completed:

- Designed responsive user interface using CSS.
- Implemented CSS variables and reusable styles.
- Styled navigation bar, hero section, and buttons.
- Designed event cards with hover effects.
- Implemented responsive grid layout.
- Improved overall UI consistency and usability.

Outcome:

Created a modern and responsive user interface for all pages.
